# OUR RANGE AND OFFERING

We hand produce a wide range of bath bombs in Pretoria, South Africa as a small family run business. Our standard range consists of 60mm/105g round bath bombs as well as various other shapes ranging from Donuts, Teddy Bears, Unicorn Horns/Poop, Rabbits, Rainbow Stars and Clouds - there even is a rocket for the boys that will keep them wanting to bathe and coming back for more each time.

Access to our standard range is by means of registering as a reseller and by getting access to our wholesale price list. Minimum orders do apply to attain the preferential wholesale prices and you need to be selling in a physical store, or an online store or in a network where you have an offset.
